

CHARACTER B

Why?

Character B continues towards it.

CHARACTER A

Don't open it!

CHARACTER B

Why not?

CHARACTER A

You might regret it.

CHARACTER B

I'll take my chances.

Character A backs off.

CHARACTER A

Fine. Go ahead. Open it.

After a moment of hesitation, Character B opens whatever it is that they have been discussing.

Something or some things positive and negative occur(s) immediately.

(However simple or elaborate the event(s) will be is up to you! USE YOUR IMAGINATION!)

Afterwards...

CHARACTER A

Are you happy now?

CHARACTER B

Yes and no...Why didn't you say Something?

CHARACTER A

Would you have believed me?

Character B thinks for a moment.

CHARACTER B

I don't know.

Still thinking about what just happened, Character B walks away.

CHARACTER A

Where are you going?

CHARACTER B

Isn't it obvious?
